Shareholders entitled to vote who do not expect to be present at the Meeting are urged to date, sign and return the form of Proxy or voting instruction form delivered to them with the Notice-and-Access Notification (defined below).

COVID-19 SAFETY PROTOCOLS

The Corporation will be following stringent safety protocols for the Meeting as a result of the coronavirus pandemic (“**COVID-19**”). Registered shareholders and properly appointed proxy holders who wish to attend the Meeting in person will be required to wear masks and maintain appropriate social distancing at all times. The capacity of the Corporation’s offices is limited and those choosing to attend in person will be accommodated on a “first-come first-served” basis. No one other than registered shareholders and properly appointed proxy holders will be allowed to attend the Meeting in person to ensure adequate space is available for those registered shareholders and properly appointed proxy holders who wish to attend the Meeting. **All shareholders are strongly urged to send in their proxies in advance of the Meeting as set out in the Circular and as set out in the proxy or voting instruction form mailed to registered shareholders and Non-Objecting Beneficial Owners (“NOBO”) to ensure that their votes are counted at the Meeting.** The lockdown resulting from the outbreak of COVID-19 has created unprecedented disruptions in the global economy and required the Corporation to take all necessary precautions to ensure the health and safety of its officers, directors, employees and shareholders. Given

the fact that the spread of COVID-19 in certain areas of the country and in particular in certain states in the United States has increased recently, the Corporation needs to continue to take appropriate precautions while proceeding with the Meeting. In order to provide some accommodation to those shareholders unable or unwilling to attend in person, the Corporation has set up a conference call number for shareholders and guests to phone in and listen to the Meeting (the “**Conference Call**”), the particulars of which are set out below. The Scrutineer representing the Corporation’s transfer agent, Computershare Investor Services Inc., will be scrutineering the Meeting remotely and will be attending the Meeting via the Conference Call. Following the completion of the formal part of the Meeting, the President and CEO of the Corporation, Mac Balkam, will make a presentation to the Meeting. Those shareholders and guests participating in the Conference Call will be able to ask questions of Mac Balkam. **Participation in the Conference Call will not constitute attendance at the Meeting and voting will not be permitted by telephone.** The Meeting has not been set up as a “virtual meeting”. The Corporation is providing the Conference Call as a means for those participating in the Conference Call to ask questions of and receive responses from Mac Balkam relating to the business of the Corporation.

Shareholders and guests may participate in the Conference Call by joining the Meeting from a PC, Mac, iPad, iPhone or Android device by clicking or entering the following URL into your web browser:

NOTICE-AND-ACCESS

Notice is also hereby given that Eskay Mining has decided to use the notice-and-access method of delivery of meeting materials for the 2020 Annual General and Special Meeting of Shareholders. The notice-and-access method of delivery of meeting materials allows the Corporation to deliver the meeting materials over the internet in accordance with the notice-and-access rules adopted by the Ontario Securities Commission under National Instrument 54-101 *Communication with Beneficial Owners of Securities of a Reporting Issuer*. Under the notice-and-access system, shareholders still receive a proxy or voting instruction form (as applicable) enabling them to vote at the Meeting. However, instead of a paper copy of the Circular, the Annual Financial Statements and Annual MD&A and other meeting materials (collectively the “**Meeting Materials**”), shareholders receive a notification (the “**Notice-and-Access Notification**”) with information on how they may access such materials electronically. The use of this alternative means of delivery is more environmentally friendly as it will help reduce paper use and will also reduce the cost of printing and mailing materials to shareholders. **Shareholders are reminded to view the Meeting Materials prior to voting.**
